

WHERE LAWYER CAME IN.

Worked Up a Shock for the Passenger and Got Damages for It.

Uncle Billy Smith had got back home after a trip to see his sister, and sitting on the post office steps, relates the Baltimore American, he said to the men who were asking questions:

"Well, in the car with me was a lawyer. I'd been talkin' with him and feelin' sorry that he hadn't taken to some honest profession, when the cars run off the track. Nobody was hurt, but our trunks in the baggage car was all smashed up. Party soon a man comes around, and ask us to make out the damages. I wrote down that I had lost two shirts, three pairs of socks, an old suit of clothes and a pair of shoes, and that my damages was ten dollars. The lawyer looks at the paper and said:

"But you hadn't added anything to the shock."

"What shock?"

"The shock to your feelin's. Put down \$200 for that."

"But have my feelin's been shocked?"

"Of course they have, and you must get pay for it."

"I put her down as he said, and two days later I got my damages in hard cash. I've all along thought a lawyer was next door to a pirate, and that he'd do most any mean thing, but I've had to change my mind. That feller jest worked up a shock for me and got me \$200 extra, and if my son Sam wants to go into the law business I shan't do any great objection."

Try Chamberlain's Pain Balm for Rheumatism.

Mr. J. W. Jamison, a merchant of Newport, Iowa, says: "I have sold Chamberlain's Pain Balm for several years and have recommended it for neuralgia and rheumatism, as well as for more common pains, and it has given good results. I sell more of it than of any other liniment I carry, and cheerfully recommend it to the public. For sale by Arcadia Valley Drug Co."

Disraeli's True Prophecy. More than \$35 was given in a London auction room the other day for the letter written by Disraeli to his sister in 1833, in which he said: "Heard Macaulay's best speech, Shiel and Charles Grant. Macaulay admirable, but, between ourselves, I could floor them all. This enters nous (sic), I was never more confident of anything than that I could carry everything before me in that house. The time will come."

Plodding Now Out of Fashion. Superficiality is the bane of the day and backed up as it so often is by colossal self-esteem and forwardness it adds a formidable contingent to the must-get-on classes of people. No one wants to plod nowadays; the getting on must be rapid, and in trying to attain money without having to work for it falsehood, dishonesty and heartlessness creep in.—T. P.'s Weekly.

Chamois for New Zealand. An attempt is about to be made to acclimatize the Austrian chamois in the New Zealand mountains. Eight animals are to be sent there. They have been long habituated to the diet which will be necessary for them during their long voyage.

Apology Well Worded. Somewhat like the charges of "graft" against the American city councils was a recent case at Tunbridge Wells, England. A member of the council asserted that a fellow member was not fit to clean the boots of the council. Called upon to withdraw this statement, he said: "I withdraw, and say that the councillor is fit to clean the boots of the council."

If You Don't

Succeed the first time use Herbine and you will get instant relief. The greatest liver regulator. A positive cure for Constipation, Dyspepsia, Malaria, Chills and all liver complaints. Mr. C., of Emory, Texas, writes: "My wife has been using Herbine for herself and children for five years. Fish Quickly Goes Bad. Not any article of food undergoes poisonous change so rapidly as fish. And no stale food is so poisonous as stale fish. If any one fish is worse than another in this regard, it is mackerel. Fish should be cooked as soon after being caught as possible. And what cannot be eaten should be thrown away. Soured mackerel left in the larder for 24 hours is very unwholesome.

WATERPROOF
The roofing that is absolutely waterproof is the only one that you should consider for your building. Tin and galvanized iron roofs rust and corrode, causing leaks; and shingles are also unsatisfactory because of their inflammability.

REX FLINTKOTE ROOFING
is treated with our own compounds that make it waterproof and fire-resisting. It is used on thousands of factories, farms and dwellings in the United States and Canada. Anyone can lay it.

Our book, which we will send free, together with samples, will give you valuable points on roofing.

Rex Flintkote Roofing is fast becoming the universal roofing.
